

February 2010

Dear Friends and Supporters of Freedom Football,

It's February and plans are underway for the 5<sup>th</sup> Annual Freedom Football Golf Tournament! This year's event will be held on Saturday, May 29<sup>th</sup> at Whitetail Golf Course in Bath, PA.

The Booster Club, the coaches and the team appreciate your support over the past five years. The money we make fundraising and with the Golf Outing provides meals, equipment, fees for camps and the LVC Power lifting Meet and many other things that help keep the program running smoothly.

We would appreciate your support again this year. Whether you play in the tournament, provide a prize or a sponsorship you are helping guide our athletes to become a team of competitors. We are all feeling the economic crunch again this year, so we have kept the cost of participating in our golf outing at the 2009 prices so that we can fill the course again this year.

Enclosed you will find a registration form and a sponsorship form. You can also download additional forms at our web site [www.patesfootball.com](http://www.patesfootball.com).

We hope to see you on the course and remember, "IT'S ALWAYS A GREAT DAY TO BE A PATRIOT!"
